“I learned responsibility for my life and my children during my stay at Francis Court” says Amanda. “I got my kids back” and I am so grateful for all the opportunities I received. I am now a changed person and feel I can manage my life now that I have my own place.

Thank You Faithworks and staff. I am so grateful and appreciative for all you have done for me and my family. Life can only go up from here.

Bryndon, a single dad of 3 lived at Francis Court for 2 years. “My stay changed me and my children” says Bryndon. I was a bit of a power struggle for the staff but I made it. I am a better man because of my stay at Francis Court. Bryndon has since moved out of the area but says, “I miss Francis Court and would love to come back because I made a few mistakes. He advises the new residents to always listen because the staff won’t steer

you wrong, says Bryndon. “Thank you for accepting me and my kids.”
